

Woodland Dunes  
Nature Center & Preserve

# Woodland Dunes Nature Center *Dunesletter*

Winter 2013-2014 & Volume 154

## From the Director

You may have noticed that this newsletter has a different look to it- we're going to try to be more concise on paper but still convey information we think will be of the most interest to our supporters. Please let us know what you think of this format!

As usual, our fall was busy and productive. Many school children visited, many birds were seen and counted, and some were banded. It's hard to determine what was most exciting- perhaps the addition of two excellent people to our staff. Geri Berkovitz, who has taught children as a volunteer since before I came to Woodland Dunes and who also helped with office duties, has decided to retire and pursue additional volunteer activities in the community. We will miss Geri very much- she has worked so hard to help Woodland Dunes be successful and her sense of humor really brightened our office. At the same time, we are very fortunate that Tina Kvitek has taken over Geri's position. Tina has extensive experience in bookkeeping and office administration and will certainly be a great asset to our nature center.

Also, Jennifer Powell joined our staff as Land Management Coordinator. Jennifer is a Two Rivers native and lives just a few blocks from the nature center. She too has extensive experience, her last position being an invasive species specialist with the Wisconsin DNR. Our wildlife and organization will benefit from her knowledge and hard work and I'm very happy that both she and Tina have joined our staff. Jennifer's position will be shared with a newly formed group, the Lakeshore Invasive Species Management Area, a partnership organization with a mission to facilitate control of invasive species in a four-county area. Dozens of organizations are partners in LISMA, which is headquartered at Woodland Dunes, so we will serve as a contact point for people needing information on management of invasive plants and animals.

One of Jennifer's projects will involve helping to manage a new addition to Woodland Dunes- the 120-acre farm donated through a bequest by Donna Bugler. The farm is home to grasslands, woodlands, wetlands and some cultivated fields. Corrissa Frank of our staff and her husband Andrew will be caretakers for and live at the farm. At present we plan not to develop public trails, instead focusing on restoring habitat where invasive species are present and doing an inventory of wildlife there. Overnight, it seems, our preserves have increased in area by 10%, but we are honored to be given the opportunity to manage such a significant green space near Two Rivers.

Dr. Michaelleen Golay, Associate Professor of Biology at Silver Lake College, has joined our Board of Directors. Dr. Golay's expertise is in forest biology, and we are excited to have her counsel as we make decisions regarding our center and preserves. Thanks to a grant from the West Foundation, we've been able to help some of our neighbors manage their own habitats as well. We've assisted Glacial Lakes Conservancy on their Spring Preserve just a few miles from ours, and were able to hire a contractor to treat the extremely invasive Phragmites or common reed grass along parts of both the East and West Twin Rivers around the City of Two Rivers and also near the shore along Mariner's Trail. We are also going to offer some assistance in planting native species that benefit birds and pollinators next spring, and we invite you to contact us if you have questions. Best Wishes from all of us for your Holidays, Solstice, and winter season.

**Jim Knickelbine**

# Coming Events

## Christmas bird count

Woodland Dunes is coordinating four count areas in Manitowoc County.

Dec. 14- Southwest Manitowoc County

Dec. 15- Southeast Manitowoc County

Dec. 27- Northeast Manitowoc County  
(and Christmas Bird Count for Kids)

Dec. 28- Northwest Manitowoc County

If you are interested in counting birds, or accompanying a veteran birder, contact Jim at the nature center.

## Lights In Lincoln Park Non-profit Volunteer Contest

Tuesday, December 17th

5:00-8:30 p.m.

\$5/car load

Located at Lincoln Park Zoo

Woodland Dunes staff and volunteers will run the Lights in Lincoln Park event. Each vehicle is charged \$5 to enter and drive through the light display. If Woodland Dunes generates one of the top three nightly revenues, we will win \$750, \$500 or \$250 respectively! Come on out and show your support for Woodland Dunes!

## Adult Education Series

### The Wonder of It All: The Role of Understory Plants in the Forest

Wednesday, January 22nd

1:00 -2:00p.m.

Donations appreciated

Join Dr. Golay as she shares new evidence on important roles of understory plants in forest communities. Examine trends in plant diversity and abundance in the understory as affected by different types of forest management. Registration required by January 17th.

*Register for programs by calling (920) 973-4007, email [jessicaj@woodlanddunes.org](mailto:jessicaj@woodlanddunes.org) or stop in and visit!*

## The Wonder of It All: Bernie's Birding and Hummingbird Banding in Arizona

Thursday, December 12th

1:00-2:00 p.m.

Donations appreciated

Join us as Bernie Brouchoud shares stories of his birding!

Registration appreciated by December 9th. Sponsored by the Dominion Foundation.

## Christmas Bird Count for Kids

Friday, December 27th

9:00-11:30 a.m.

\$2.00/child

Learn birding basics at binocular boot camp, then enjoy a friendly morning counting birds for the National Audubon Society's 114th Christmas Bird Count. Kids must be accompanied by an adult. Registration required by December 20th.

## Candlelight Night

Saturday, February 8th

6:30-8:30 p.m.

Members: \$5; \$15 Family

Non-Members: \$8; \$20 Family

Enjoy an evening stroll along a candlelit trail, live music and warm beverages. Learn about winter constellations and enjoy an outdoor fire. A fun, relaxing evening with friends and family. Adult and kid's snowshoes available for use and baked goods available for purchase. Held at the Nature Center.

## Reminder:

All trails are closed for the gun deer and muzzleloader seasons from November 23rd through December 11th.

## Friday Morning Bird Walks

Fridays

8:15 a.m.

\*\*No bird walk on November 29th\*\*

Join director Jim Knickelbine or a Woodland Dunes naturalist on a weekly route and help document the bird species on the preserve. Meet at the Nature Center and bring binoculars.

## Spaghetti Dinner

Monday, January 20th

4:00-8:00p.m.

Two Rivers Family Restaurant

\$8.00 a plate

\*\*Includes spaghetti and meatballs, garlic bread and a beverage!

Come help raise funds for our Nature Center, while enjoying a delicious, hot meal. What a perfect evening to spend time with family or friends and help us to continue to offer our trails and programs to our community!

## The Wonder of It All: "What's the Trouble with Worms?"

Wednesday, February 19th

1:00-2:00 p.m.

Donations appreciated  
DNR Forester Stephen Kaufman will discuss the effects earth worms have on forest soils and how these effects change the forests and understory. Registration appreciated by February 14th.

# Thank You!

## Education Support

Thank you to all Teacher Naturalist's who helped throughout the year with educational programs! We could not offer the community these amazing opportunities without you!

## Volunteer Spotlight

### Susie Polk

She's the skunk at the Enchanted Forest, she greets visitors at the front desk and she crawls through the brush pile with excited first graders. Susie Polk is a dedicated volunteer who is always willing to help. She volunteers as a Teacher-Naturalist, at the front desk greeting visitors and for special events. Thank you Susie!

### Get to know Susie

*Years of service: 6 years*

*Why she decided to volunteer:* During her career as an anesthesiologist in Chicago, Susie always wished to be outside. When she retired, she started spending most of her time in Wisconsin and brought her kids to Woodland Dunes on the weekends. It was a natural fit to start volunteering!

*Favorite volunteer job:* Teacher-Naturalist for the Cottonwood Trail program

*Hobbies:* Hiking, sailing, reading, learning new things and spending time with her dogs and grandkids.

*Fun fact:* If Susie could be an animal, she would be a dolphin, swimming and playing all the time and (maybe) laughing at humans.
