heiknbrew

September 11th, 5-9 pm

Woodland Dunes Nature Center & Preserve to invites you to partner with us for one of our most anticipated community events of the year—**heiknbrew**. This years event will take place on September 11th from 5-9pm.

This unique gathering brings together craft beverages, live music, and the natural beauty of the Dunes to create an unforgettable experience for our community. More importantly, it directly supports our mission to preserve over 1,500 acres of critical habitat, provide environmental education, and connect people to nature.

We're currently seeking sponsors to help make this event a success, and we would love to explore how you could be part of it.

heiknbrew draws a diverse and engaged audience of community members, professionals, and nature supporters making it a strong opportunity to align your brand with a trusted and impactful local organization.
